---

The Internal Quality Assurance Cell (IQAC) of West Silchar College was formed in 2018 with a view to activating the process of developing the capabilities of the college and to raise the standard of the college through consistent quality improvement. Since quality improvement is a continual process, the IQAC has integrated itself into an institution's system and has been working to achieve the objective of quality improvement and sustenance. The primary responsibility of the IQAC is to develop a framework for continuous, consistent and catalytic improvement in the overall performance of the institution.

## **Vision**

IQAC aims at being instrumental in attaining realistic quality benchmarks and sustaining them for overall development of the institution.

## **Mission**

- Acting as a nodal agency of the institution for coordinating quality-related activities, including adoption and dissemination of best practices
- Development of quality culture in the institution
- Development and application of quality benchmarks/parameters
- Facilitating the creation of a learner-centric environment conducive to quality education and faculty maturation to adopt the required knowledge and technology for participatory teaching and learning process
- Arrangement for feedback response from students, parents and other stakeholders on quality-related institutional processes
- Dissemination of information on various quality parameters of higher education
- Promotion of research culture among staff and students
- Organization of inter and intra institutional workshops, seminars on quality related themes and promotion of quality circles
- Documentation of the various programmes/activities leading to quality improvement
- Development and maintenance of institutional database through MIS for the purpose of maintaining /enhancing the institutional quality
- Preparation of the Annual Quality Assurance Report (AQAR) as per guidelines and parameters of NAAC, to be submitted to NAAC
